IN presenting this, our thirteenth annual Seed List, we wish to express our thanks to all our customers for the confidence and patronage we have received, and we trust you will continue to send your orders this way. We aim to have only the very best and most reliable seeds which it is possible to get, and we import a large part of our seeds from the best growers in Denmark and other European countries. We realize that a Gardener or Florist cannot be too careful in the selection of the seeds he is using and therefore we are very cautious in getting the seeds from the best sources we know of.

Any orders you may send us will receive our most careful attention.

Respectfully yours,

DANISH SEED IMPORT,

Chris Mosberg.
